GCRO Quality of Life 2020/21 Survey (forthcoming)

What are participants telling us as we collect data for the next QoL survey?

"No youth programmes and jobs so they end up taking drugs"

"We really need support from our ward councillor and the police"

"We need hands on counsellors. That would benefit our community very much and even end poverty. We have many ideas that go unheard because our counsellors don't give us attention"

"Government needs to work on creating jobs as people are suffering"

"Government should work hard to stop crime and drugs abuse"

Comment themes

- Appreciation for the survey
- Crime and safety
- Unemployment
- Governance
- Gender-Based Violence
- Municipalities in Gauteng
